

5 BOARD MEETING FOCUS POINTS

Please share this with your KPATA region:
SEPTEMBER 2024 Board Meeting

September

ONE

In October, KPATA social media will begin to highlight & share content that supports learning, networking, and connecting across the state. Something new will be shared each week in October! Keep an eye out!

TWO

The Training and Education committee has been very busy planning a new spring learning opportunity! More information will be coming out soon -- it is going to be awesome!!

THREE

Hilary is serving on a state workgroup (as part of her work on the Early Childhood Recommendations Panel) which will focus on mental health supports for those in the field of early childhood.

FOUR

The newly revamped Advocacy Committee is focusing on daily education and tools. Are you interested in being a part of this exciting work? If so, reach out to the committee chair, Madison Thompson, at mthompson1@gckschools.com.

FIVE

Hilary and Amber have been holding Board Member quick chats to learn more about specific suggestions and challenges in KS regions, how KPATA can best provide support, and priorities as they relate to programs!
