**Arrow Cocktail Lounge**

 Manhattan, KS 66502
Phone: (785) 775-1800

Website: <https://www.arrowcocktailounge.com/>

Description:

In 2016, the Arrow Cocktail Lounge opened in the original Arrow Coffee location at 1800 Claflin Rd Suite 160. In 2020, the

pandemic forced us to pair things down, and the lounge was reopened on a small scale within Arrow Coffee (1800 Claflin set 170). Since then, we've dreamt about the day we could reopen and serve our friends on a larger scale. Now we finally have the chance to do so! The Wareham Hotel, located at 418 Poyntz Ave, was built as the "skyscraper of the midwest". The first floor once housed Harry's Uptown (later Harry's), and now the Arrow Cocktail Lounge gets to write it's own chapter in this historic book! While you'll still be able to grab a cocktail at the Claflin location, we look forward to releasing an extensive cocktail menu and spirit list, along with a never before offered food menu! At the Lounge, we strive to invent unique, delicious cocktails with a carefully chosen spirit selection. Our cocktail program is designed to appeal to the complete cocktail novice as well as the seasoned veteran. Our bartenders are trained to find the perfect drink for each customer, so come put them to the test!

Our full bar service features playful cocktails, an impressive bourbon list, and wine on tap. Yes actually, wine AND a housemade specialty cocktail on tap. Whoever said you shouldn't break all the rules in the Little Apple?!
